REPORT TO THE PEOPLE OF DISTRICT ONE BY EXECUTIVE COUNCILOR, RAY BURTON

*Executive Councilor
District One*

As I start my 31st and 32nd years of service to this large Northern Council District, I am hopeful and excited for new opportunities for rural America. With a new administration in Washington new economic programs are in the future. Our role at the state, county and local level is to have justified applications that will be used to stimulate job retention and creation. County and regional economic development councils coupled with community action agencies will be putting these new initiatives to work.

The NH Congressional Delegation- Senator Judd Gregg, Senator Jeanne Shaheen, Congressman Paul Hodes and Congresswoman Carol Shea Porter joining other Northeastern states of Maine, Vermont, New York and other New England Congressman can cause new resources to become available. I urge that we, at the state, county and local levels of government, step up with our concerns and let them know our needs.

2009 will start another year of the 10-year NH Highway Transportation Planning process working through the Regional Planning Commissions. Transportation Enhancement and Congestion Mitigation Air quality grants are back in play. Contact William Watson at NH DOT for details at 271-3344 or bwatson@dot.state.nh.us.

The 2009 session of the NH House and Senate will be a trying time with proposed cutbacks and how to still provide and meet constitutional and statutory needs. Be watchful of proposed legislation passing costs to county and local levels of government. Stay close to your local state senator and house members.

The Governor and Council are always looking for volunteers to serve on the dozens of boards and commissions. If you are interested please send your resume to Governor John Lynch, State House, 107 North Main Street, Concord, NH 03301 attention Jennifer Kuzma Director of Appointments/Liasion or at (603) 271-2121.
